## Teen Summer Reading

**Cooking w/ Herbs & Spices** – Teens in 6th-12th grade, learn cooking skills! On June 16th at 2 PM, U of I Extension Educator Siew Guan Lee will teach us how to use herbs and spices to flavor foods. Plus, plant some herbs of your own!

**Teen Craft: Friendship Bracelets**– Teens in 6th-12th grade can join us on June 29th at 2 PM and learn to make your own friendship bracelets, anklets, and necklaces!

**Safe @ Home, Presented by St. Luke's** – The Safe @ Home Program is designed for students in 4th-6th grade to prepare them to be safe when they are home alone. The class is on June 12th at 1 PM. This free class requires registration to attend – contact the Youth Services Desk at 208-733-2964 ext 301 to register.

**Read to a Therapy Dog** – Kids, read to a therapy dog from the Pets Helping People Therapy Team! Stop in on June 5th at 6:00 PM & sign up for a 10-minute slot. Slots are first-come, first-served.

## Elementary Summer Reading

**June 12 – June 16: Lego Club** – Every day this week between 3-5 PM we're building a LEGO City! Visit the library this week to help build a house, a baseball field, an ice cream shop, or the most important building in the city (in our humble opinion) – a Library!

**June 22: Idaho Fish & Game Visit** – On 6/22 at 10 AM, elementary-aged kids can come to learn about wildlife! Staff from Idaho Fish & Game will be here to teach fascinating facts about the animals in our area.

**June 30: Touch-A-Truck** – Do you have a backhoe-loving kid at your house? Bring them to the Library on June 30 at 10 AM to experience construction rigs up close and personal!

## Naturebrary

Naturebrary is a caregiver-and-me program for babies, toddlers, and pre-k kids every Wednesday in City Park from 10 AM – 12 PM (beginning June 14th). We'll have storywalks, make mud pies, learn about plant life, and much more! Naturebrary is a messy, outdoor program, so dress accordingly. See you there!

## Tween STEM

Tween STEM is a science program for tweens (ages 8-12) every Tuesday at 11 AM (starting June 13). The tweens will learn about different science, technology, engineering, and math concepts through fun projects and experiments.
